PROPOSED ORDER GRANTING RECEIVER'S MOTION AND APPROVING THE  
PURGING OF INFORMATION CONTAINED IN COMPUTER HARDWARE  
LOCATED AT SENTINEL TRUST COMPANY HOHENWALD,  
TENNESSEE OFFICE BUILDING

---

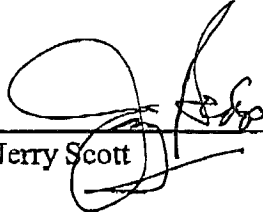

Upon motion of the Sentinel Trust Receiver, filed on May 24, 2007, and there having been no response in opposition filed within the eleven (11) day timeframe (as directed in the Court's August 8, 2006 Order), the Court considers the position of the Sentinel Trust Receiver well-taken.

The Court finds that prior to the closing of the sale of the Hohenwald Office Building and its contents (which, by the Court's April 12, 2006 Order, including all computer hardware then on the premises), all information, data or operating systems contained or otherwise stored in the computer equipment located at that office building should be purged, deleted or otherwise "wiped clean". The Court further finds that all parties and, where applicable, their respective civil and criminal counsel, have been provided adequate notice of the Receiver's motion and have not requested any access to the computer hardware prior to the information, data or operating systems being deleted. The Court finds that the Receiver may rely upon (1) the failure of any party or his counsel to request access to the computer equipment in question, and (2) the

back-up tapes made and in the possession of the TBI Computer Evidence Receiving Unit in going forward to purge, delete or otherwise "wipe" clean all of the contents of the computer equipment located at the Hohenwald Office Building.

Based upon these findings, the Court grants the Receiver's motion and approves the deletion, purging or "wiping clean" of that computer equipment prior to the closing of the sale of the Hohenwald Office Building and its contents.

It is so ORDERED this 6<sup>th</sup> day of June, 2007.
